the flowers are going their/they're smelling
it's overwhelming taste

B1

We're for the first time here
(we) don't have to rush
we are/we're free to take time
to know each other
well
well
well
well
well

A2

We're wandering around in this garden
enjoying togetherness
being aware of this precious
time we have / had

B2

It's our first time here
(we) don't have to rush
we are / we're free to take time
to know each other
well
well
well
well
well

A3

You'll / you show me your wonderful garden
it's springtime i'll / i see
the smell of the flowers their / they're tasting
(and / they're) groing inside

We're for the first time here
(we) don't have to rush
we are / we're free to take time
to know each other
well
well
well
well
well

A4

We are / We're now in this wonderful garden
it's springtime we / we'll see
the smell of the flowers their / they're tasting
it's groing inside
the smell of the flowers their / they're tasting
it's groing inside

it's gro-o-i-ing
it's gro-o-i-ing
it's groing in-
side

Ground

Everytime (that) i'm looking for you
you hide and you pull me down
i'm driftin' away stumble down
you call but my ears they're so deaf

Everytime i'm encountering you
you lop off going back down
it's up in the moonlight you are
it's up in the stars you shine

stand

look

breath in

you are safe on the ground that's true

you got to believe
you got to believe in love
and trust it on your way

And again i'm talking with you your speech is blocked inside
we're sitting aside for awhile
this time one state we're in

Peculiar Place

Verse 1

I am/I'm standing here
waitin' for you
you/i got to be strong/love is in my hand/mind/ i got something in my hand/mind
you are/you're standing here
waitin' for me
in this peculiar place last time to Coda

Bridge 1

I am/I'm driftin' along
all night and day
flyin' by dreams
cutting away
looking for you
over the place

Verse 2

We are/We're waitin' here
love in oiur heart(s)(hand(s))
to share with each other/with All
we are/we're standing here
waitin' for love/you
in this peculiar place

Bridge 2

We are/we're driftin' along
all night and day
flyin' by dreams
cutting away
looking/lookin' for love
(all) over the place/in this peculiar place

My Love

Verse 1

You
you are my Love
you
with the shiny red hair / red gold hair

it's true
i'm finding you (/ loving you)
lying next to me

Verse 2

You
you are the star
you
you are the sun
that shines
all night and day
(gives) warmth and light to me

(Alt#1
You
you are the star
that shines
through the night
you
you are the sun
that gives his warmth and light)

Bridge

it's true
you belong to me
as/like the wind
to/and the sea

like the bird
in the sky
that flies
 flies
 flie-e-es

to

Verse 4

(to) me
you are my love
(to me)
you are my star

last time
II: that shines
all night and day
it's true
i'm loving you :|| last time (after repeat to coda)

coda:

that shines
light as the sun
it's true
you shine to me

it's true
i'm finding you

(It's) true
i'm finding
true
you're shining
true
i'm finding
you

my Love

Peace

Feel the peace is coming
through your body and your mind
Feel it's shining soft insight/and bright
enlighten(s) all inside

Do you really know all about?
(do) you really care all about/for it?

Stay here in the mid (of all)
alone/sole and peacefully
care for you and all/care for all
soft and silently/embracing

warm and fluently
bright and pellucid

All the beings /are with you enlightened all the time/ concurrent full of light and joy

„Your gift“

Verse1

Show(give) me roses
give me a sign

may your lovin' shine through
and when the gods are turning
to
me
and
you
we are(we're) blessed
in shiny light

Verse2

Speak light-hearted
talk with your soul / with all your soul
be trustful count on

and when the ghosts are facing
me
and
you
the(our) place is
here to be

Bridge

(You know) there is/there's a time for lovin'
a time to feel free
here and everywhere

(You know) there is / there's a time for all
(the) things to be
for us forever it trusts
for us (for)ever be braced

Verse 3

Hear those voices
with an open heart (/ mind / ear)
receive secrets keep an eye

and when those/the angels are flying
to me
and you
(we're / you're) rejoiced to be a part (—>) last time
(we're / you're) rejoiced united in
(we're / you're) glad in togetherness

(—>)

hear their stories
with an open ear
receive secrets
keep an eye

and when those angels are singing
to me
and you
we're rejoiced united in

and when those angels are singing
to me
and you
we're rejoiced to be a part
we are glad to be a part
we're rejoiced to be
glad to be
we're rejoiced to be a part

„Our Light“

Verse 1 A

Daylight comes as soon
as you open your eyes
driftin' along
with / in the thoughts of yesterday

B

Remembering all our words
that we've spoken out loud
of Love and Doubt / Trust
respect among ourselves
how to keep on going / carry on

Verse 2 A

We know each other
for a precious long time / while
be as closed as you can be
as you have the heart to do

V 2 B

Open up
show your blooming kind
to all the world

Let us occur
sufficient place
to grow together right

Bridge

(You know)
You have to take
take care for all the beings
it's good
(and) it's worth
to be reliable

It's sure
there is force
that keeps a cosmic unity
in steady circles
but we are here for now

Verse 3 A

Moonlight comes as soon
as the day passes away
Thinkin' of all we lived
day by day

V 3 B

we're sliding
in a deep (deep) sleep
in the land of our dreams
It's time to see
clear, pure and precise
till you're open your eyes

at ending:

till you're open your eyes
till you're open your eyes

to the / our light
